

# MANY WANT CONTEST NEWS IN ADVANCE

## TELEPHONE BELL INDICATES INTEREST

### Miss Scharratt As Shown In The Vote Total, Is The Leader In District Two

The second count of votes will be published Monday evening. The count will be made this afternoon and all ballots intended for this count should be in the Bulletin office by 4 p. m. to-day.

From all over the territory covered by the Bulletin's Voting Contest, votes came in today for the count of votes to be made this evening. The result of the first count has not been published, but the Bulletin's women who are contesting for the pleasure of a trip to Yosemite Valley and other California points as the guests of the Bulletin this summer.

The mail for the Evening Bulletin brought in this morning by the Mauna Kea was principally "contest mail." Many of the candidates wrote for more stationery and almost every letter had a tone of confidence about it, that indicates that the contestant are meeting with a success beyond their expectations.

#### Wanted News of Count.

Interest in the contest in Honolulu is manifested by the constant ringing of the telephone. Almost as many local people called yesterday and inquired the result of the first count as there were those who inquired for Washington news about the fight between the "regulars" and "insurgents" in Congress.

#### Size of Paper Vote a Secret Until Publication.

There is one other matter that the contest manager will not give out in advance. That is the number of votes to be printed in each day's paper. Some of the candidates and some of their friends have been calling up and asking how many votes will be published on that day. This information will not be given in advance.

#### No Extra Papers to Contestants.

There is a tendency on the part of some candidates to think that they can buy a large quantity of Bulletin's on the day a large vote coupon is printed. No extra papers are printed on these days and orders for an unusual number will not be filled.

#### Count Results Given in Paper Only.

Advance information as to the results of the count will not be given until the paper is published. News papers usually give news in advance of publication, but in a case of this kind the privilege cannot be granted as it is a privilege of which all the candidates cannot take advantage.

#### Miss Scharratt Leader in Dist. 2.

Miss Queenie Scharratt of Kamuela is the leader in Dist. 2, and not Miss Louise de Harne, as stated in yesterday's paper. The figures as given yesterday were correct, but the mistake was made in writing the introduction to the story of the count.

#### The Club Offer.

The offer of several thousand extra votes for the equivalent of three yearly subscriptions is not a continuous offer. It expires on Thursday, March 31st at 5 p. m. This is truly one of the best club offers that will be made during the entire contest. It is best, because it is for a long period, and best, because it is one that every contestant can take advantage of. Why not do it now? Get the clubs now, as many as you can, because later in the contest a premium for effort will not be given.

#### Votes May Be Secured From Any District.

Although trip candidates will only compete for the trips against their

sister candidates in the same district, they will not be confined to their district in securing votes. Votes can be secured anywhere, in the contest territory or out of it. There is no restriction as to where votes can be secured. Chaperone candidates have the same privilege.

#### How Votes Are Issued.

Each copy of the Bulletin will contain a coupon, which, when properly filled out, will entitle the holder to votes of the number specified. This number will vary from day to day. No advance announcement of the number of votes will be given. Votes will also be issued on paid subscriptions to the Evening and Weekly Bulletin in proportion to the length of time such subscriptions are paid in accordance with the schedule appearing below.

#### How to Help Friend.

If you have a friend in the contest and want to see her win, send your subscription to the Bulletin and get your friends to do the same. A few subscriptions will place your favorite candidate so high in the count that many who do not know the lady will commence to help her, as they wish to cast their votes for one who, it appears, has a chance to win.

#### Nominations Not Closed.

There seems to be an impression that nominations are closed forever, so far as this contest is concerned. The nominations are not closed, and will not be until the end of the contest. You could, if you wish, nominate a candidate on the last day of the contest.

#### Separate Ballots.

Remember, separate ballots for her trip and chaperone contestants are now being issued, and you don't have to hold your votes until you make an arrangement with another candidate. You can get the rest at any other time. Send in for your subscriptions. You may hold the votes as long as you wish, but the paper should be started to your friends who have subscribed in your behalf. So send in their subscriptions as soon as you get them.

#### THE DISTRICTS ARE AS FOLLOWS

District No. 1 includes the City and County of Honolulu.

District No. 2 includes the County of Hawaii.

District No. 3 includes the County of Maui.

District No. 4 includes the County of Kauai.

Don't forget the candidates for chaperone are candidates-at-large.

You may take the trip any time you choose, singly or in groups.

## BATTLE IN HOUSE STILL GOES ON

WASHINGTON, D. C., Mar. 18.—Speculation is rife among the political wise ones concerning the probable outcome of the struggle between the regular Republicans and the insurgents and Democrats in the House. That the struggle will be renewed with increased vigor when the House meets tomorrow is conceded, and excitement is intense.

So far neither side can claim a victory, and the outcome of the battle up to date is generally regarded as a draw.

#### ADMINISTRATION OF RIGHT, NOT MIGHT.

WASHINGTON, D. C., Mar. 18.—"Since taking office it has been my endeavor to do what is right, rather than those things which would bring to me political strength," declared President Taft with earnest emphasis in the course of an address which he delivered last night before the Rochester Chamber of Commerce. The President outlined the policies of the administration and pointed out what he is endeavoring to accomplish.

In the course of his talk President Taft said that he hoped the Republican party has sense enough and sufficient discipline to meet its responsibilities fairly and squarely, and will not try to dodge the issue.

The speech was listened to by a large audience, and frequently the President was interrupted by shouts of applause. As he took his seat he was heartily applauded.

#### DEPARTMENT CHANGES.

WASHINGTON, D. C., Mar. 18.—The changes in department commanders were announced today by the War Department. Major-General Wood succeeds General Bell as chief of staff; Bell goes to the Philippines to replace General Duval; General Grant is assigned to the Department of the East, and is succeeded in his present station by General Hedges; General Smith is assigned to the command of the Department of Missouri.

#### YOKOHAMA HAS BAD FIRE.

YOKOHAMA, Mar. 18.—Five hundred houses were burned and seven lives lost during a holocaust which devastated a large section of this city today.

#### ROOSEVELT'S MOVEMENTS.

WADSWORTH, Mar. 18.—Colonel Roosevelt's party arrived here today. The party will depart tomorrow by steamer.

## FORT DE RUSSY ITEMS

Work was begun yesterday on the additions to the quarters of the hospital steward of the post hospital at this post. New plumbing is to be installed in the hospital building and additions to the rooms made. The additions will be completed before the end of the present month and when completed will add greatly to that portion of the post.

An auction sale of the animals ordered sold, by the inspector general while at this post some time ago, will be held on Monday next. The new animals ordered from the states to replace those shot and those to be sold, are expected on the next transport as well as the new wagons for use of the detachments. The camp in the Koolau section will receive the most of it.

Since word has been received at this camp of the handball teams being organized at other posts in the island, many of the players are harder than ever at work getting back in practice and it is hoped by all the members of the post that a number of games will be arranged or a series be played at the various courts. The court at this post is one of the best that could be built and is so fitted out that the games may be played at night as well as during the day.

Post Exchange. The building occupied by the post exchange is being remodeled and greatly improved. The object is to make the building more of a recreation place and to afford the men more space for resting. Many new stores are being purchased and the branch in the pavilion increased so that it will handle supplies wanted by the men.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.
